Winter bomber jacket with detachable sleeves

The Ceton winter bomber jacket has everything to make you comfortable. The stand-up collar, the sleeve narrowing by touch and close fastening and extended back make sure no wind can touch you. The fixed fleece lining keeps you warm.

When you get too warm however you can remove the sleeves and the hood. With four pockets on the outside, a pen pocket, a phone pocket and one pocket on the inside this winter bomber jacket is also very practical. The Ceton can also be personalised with your own logo.
