SIO-COOL CLASSIC

Hi-vis polo shirt

The Rotto not only offers you a high level of protection against UV sunlight, but it also offers a very high level of comfort. Thanks to the highly breathable and antibacterial quality fabric, you and your clothing always stay fresh. The hi-vis mesh under the arms ensures optimum ventilation. This hi-vis polo shirt has welded and segmented reflective strips on the stomach, chest and back. The button closure and the turnover collar and cuffs in dark grey with fluorescent contrast lines form a beautiful whole.
